MESCLAS DE PAINÉIS

Divisória entre sacada e sala de estar

Presente tanto em grandes projetos de arquitetura como em residencias os conhecidos **painéis decorativos**, painéis vazados, biombos ou muxarabis são uma **solução simples e eficiente** para quem necessita de **dividir dos ambientes** mas sem abrir mão da **iluminação e ventilação natural**.

Os elementos agregam personalidade ao projeto, seja pelo seu design elegante ou pela sombra que ajuda a compor o ambiente... os painéis dividem sem fechar!

SUA DIVISÓRIA EM 4 PASSOS SIMPLES!
